

Florida College Dry Creek Camp 2018 Activities and Crafts

Check out the many things that you can do, a different thing each day, Monday through Thursday. You rank your top 10 choices in order of your preference. Usually you can get most if not all the things you want to do. There is something cool for everyone, every day.

Grades 3 - 12:	Description
1. Music	All the activity time is spent in learning new songs or singing old favorites. You won't be disappointed. You can participate all 4 days if you like.
2. Archery	The sport, practice or skill of using a bow to propel arrows at targets. Your targets may be enhanced with balloons.
3. Basketball	Team sport. Need at least 3 – 5 on each team. Come get your dribbling and shooting fun and compete with other teammates.
4. Board Games	Anyone up for competition? Fast paced games available in air condition comfort. Try human Hungry Hungry Hippo.
5. Bubble Soccer	Put yourself in a giant ball and start to bounce off others and the ground as you maneuver your way to the goal. It's exhilarating.
6. Chalkboard Projects	Crazy for chalkboard projects? Come use some of the trendiest crafting tools. You can learn how to do the lettering on those projects.
7. Colorama & Rock Art	It's all the rage. Color your choice of beautiful illustrations, pictures of animal, flowers, or paint your favorite rock. Very calming and satisfying.
8. Drama	Try your hand at acting. Meet with others who want to perform on stage. Bring your props.
9. Fabric Art & T-shirt/Bandana bracelets	We have stencils, paints, etc. for you to use on your own t-shirt or pillowcase. You might also want to make a unique bracelet out of an old t-shirt or bandana.
10. Fishing	Fishing is the practice of catching or attempting to catch fish with a hook that is generally known as angling. You can always return the fish to the water. Last year a camper caught a huge fish. Try your luck.
11. Geo-Caching	This is called GPS stash hunting. Someone "buries" something for you to find using a Global Position System receiver. It's really a new take on a treasure hunt. Very enjoyable outdoor activity.
12. Newspaper & Making Autograph Books	FC Dry Creek Camp newspaper. Written daily by you about what's happening at camp. Added this year is making autograph books which you can take home to enjoy.
13. Photography	Bring your camera or use one of ours. Reporting for the camp newspaper is your assignment only with pictures. Opportunities abound to make a splash for yourself with your candid shots. Could be posted on FB page.
14. Rifle Range	New targets. This will be a challenge to see how good you are at hitting your target. Sign up quickly!
15. Shrinky Dinks & Perler Beads	Draw or trace or copy any image onto a Shrinky Dinks sheet, then bake. Fascinating. You may also want to make a project using Perler Beads. The designs and ideas are almost limitless.
16. Sling Shot	Slingshot challenge! Can you do it! Fills up fast!
17. Spike Ball, Can Jam, Yard Games	If you like fast paced games, bring your energy to play these games. You will not be disappointed.
18. Story Time	Ms. Peggy's stories are not to be missed. She has a way with words and a fantastic sense of humor. You get to tell your stories too.
19. String Art	Pins and thread art. Using an arrangement of colored thread strung between points to form designs. Draw or design pictures.
20. Water Games	NEW games this year including towel balloon volleyball, The Great Jungle Fire, and Shooting balloons with a huge slingshot. Played on sand volleyball court.
21. Wood Burning	Using simple wood burning tools and easy techniques to help you add designs to a bare wood project.
22. Yoga	Come experience physical and mental disciplines. No napping here! Learn yoga exercises that will help you lead a healthy active lifestyle.
Grades 7 - 12:	

23. Canoeing	Aluminum canoe sports include paddling and balancing in a boat while moving fast across open water. Of course, your canoe mate should be as coordinated as you are, or you are all likely to end up in the cool wet water. Sign up if you are 7th grade or higher.
24. Frisbee Golf	Come just for fun or compete on a 9 hole Frisbee Golf course. Lowest score wins.
Grades 9-12	
25. High Ropes	Ropes courses are a combination of both vertical challenges and horizontal challenges constructed from wood, cables, and ropes installed above the ground and stung between trees and a wooden tower.
