

# Florida College Dry Creek Camp Camp Grant Request Form Agreement **Deadline: April 1**

I am requesting a Camp Grant for my child (children) to attend Florida College Dry Creek Camp. I understand that if my child receives this grant, I agree to the following:

1. **My child (children) will write a thank you letter for this grant, due July 15<sup>th</sup> of the camp year in which the grant was received.** This letter will tell why Camp has been a benefit to them. All letters received will then be sent to the grant donors. I also understand that any future grants I may request are contingent upon the receipt of this letter by the above date. Thank You letters may be mailed to the camp address or typed and sent via email to [fcdrycreek@gmail.com](mailto:fcdrycreek@gmail.com).
2. I agree to pay as much of the Camp fee as I can pay. **All applicants must pay something.** This partial payment should exclude any pictures and video orders. Please remember that like you, our funds are limited, and the number of requests is increasing. We believe that if everyone will do all that they can, everyone who needs a little help can be helped.
3. I understand that I may request a grant for the remainder of the Camp fee. **The grant does not cover the cost of Camp pictures/video therefore please do not order these.**
4. If in the future I am able to repay the grant or contribute to the fund, I will do so in order to aid others who need grant funds to attend the Camp.

**Please complete/submit this form before applying online for Camp. If approved, you will be emailed a payment coupon that will enable you to complete the payment section of the online application.**
