

## Florida College Dry Creek Camp 2022 Activities and Crafts

Check out the many things that you can do, a different thing each day, Monday through Thursday. You rank your top 10 choices in order of your preference. Usually you can get most if not all the things you want to do. There is something cool for everyone, every day.

Grades 3 - 12:	Description
0. Music	Learn new songs or sing old favorites. You won't be disappointed. You can participate all 4 days if you like.
1. Archery	The sport, practice or skill of using a bow to propel arrows at targets. Your targets may be enhanced with balloons.
2. Basketball	Team sport. 3 – 5 on each team. Try dribbling and shooting and compete with other teammates.
3. Board Games	Anyone up for competition? Fast paced games available in air condition comfort. Bring your favorite game.
4. Colorama & Rock Art	It's all the rage. Color your choice of beautiful illustrations, pictures of animal, flowers, or paint your favorite rock. Very calming and satisfying.
5. Drama	Always wanted to act on stage. Meet with others who want to perform. Bring your props and ideas.
6. Fishing	Fishing is the practice of catching or attempting to catch fish with a hook that is generally known as angling. You can always return the fish to the water. Last year a camper caught a huge fish. Try your luck.
7. Geo-Caching	Using special tools find the "cache" in the woods. Then cool off by the Snack Shack.
8. Leather Bracelets	Using stamps and metal colored paints, you can make a bracelet to wear or give away.
9. Newspaper	The Newshound, Camp newspaper. Written daily by you about what's happening at camp that day.
10. Photography	New cameras to use. Making many pictures and yours may be picked for the newspaper and/or put online.
11. Rifle Range	New targets. This will be a challenge to see how good you are at hitting your target. Sign up quickly!
12. Shrinky Dinks & Perler Beads	Draw or trace or copy any image onto a Shrinky Dinks sheet, then bake. Fascinating. You may also want to make a project using Perler Beads. The designs and ideas are almost limitless.
13. Sling Shot	What can you hit with a slingshot? Come find out. It is very exciting.
14. String Art	Make a beautiful piece of art using pins and string. Bring your own design or use one of ours.
15. Wood Burning	Using simple wood burning tools and easy techniques to help you add designs to a bare wood project.
<b>Grades 7 - 12:</b>	
16. Canoeing/Kayaking	2 person canoes and kayaks include paddling and balancing while moving fast across open water. Of course, your partner should be as coordinated as you are, or you are all likely to end up in the cool wet water. Life vests are worn by all. Sign up if you are 7th grade or higher.
17. Frisbee Golf	Use your Frisbee skills to play the "golf" course. It can be easy or a little challenging. Good chance to practice your skills.
<b>Grades 9-12</b>	
18. High Ropes	Get parents' permission first, then join others climbing up high in the trees, a climbing wall and zip line. The thrill is there to grab. <b>(Permission slip required.)</b> Click this link: <a href="http://drycreek.fccamps.com/wp-content/uploads/2022/01/HighRopesForm.pdf">http://drycreek.fccamps.com/wp-content/uploads/2022/01/HighRopesForm.pdf</a>
