Dear 11th and 12th Grade Campers and Parents,

We are pleased to announce a wonderful opportunity to visit Florida College to see for yourself if FC is the College for you and the Dry Creek Camp will reimburse you for the airfare (one trip per camper and one parent limit) and the camper (\$60) registration fee. There are three dates from which to choose. They are:

March 31-April 2, 2022 (Thursday to Saturday)

September 2022 *specific days to be announced* (Thursday to Saturday)

November 2022 *specific days to be announced* (Thursday to Saturday)

Parents Are Invited Too: – Remember, in addition to campers, parents may go too. We are offering a free roundtrip plane ticket to Tampa FL **for one parent** to accompany their student. Of course, both parents are welcome. Parents will need to provide for their Falcon Days registration fee (\$20), lodging and transportation. Our offer is limited to 1 trip per camper and 1 parent per family. Of course, both camper and parents can visit the College as many times as you wish.

Florida College Falcon Days: - Falcon Days is designed for prospective students who are seriously considering attending Florida College. You will be able to not only tour the campus but attend selected classes and special events designed to introduce you to Florida College and answer your questions about enrolling. We only ask that every prospective student and their parents have a sincere interest in exploring enrollment possibilities.
